Senior Pastor Call Committee Update

On Sunday March 24, the 251 members present at the Senior Pastor Call Service voted unanimously to call Pastor Adam Wiegand as the next Senior Pastor and reaffirm Pastor Tim Christenson's current call to Prince of Peace as Associate Pastor. This significant milestone completes Step 10 of the process that began almost a year ago. Now we continue in prayer for Pastor Wiegand, his family, and his current congregation as Pastor Wiegand discerns where the Holy Spirit is leading him. (continued on page 7)

And as they were frightened and bowed their faces to the ground, the men said to them, "Why do you seek the living among the dead? He is not here, but has risen. Remember how he told you, while he was still in Galilee, that the Son of Man must be delivered into the hands of sinful men and be crucified and on the third day rise."

Prince of Peace School 50 Year Celebration!

All Families, Alumni, Church members and Friends of Prince of Peace School are invited to join us April 28th for a special child and family friendly Worship Service at 11:00am with a celebration reception following in the Fellowship Hall.

“We love because he first loved us” 1 John 4:19

When our family listed all the things we loved about our experiences at Prince of Peace Preschool, it was no surprise that play, prayer, and chapel were the words used most often. These three components and the songs our children learned about God and friendship are our lasting memories from many happy years of preschool instruction.

The nurturing staff and carefully designed curriculum developed our son and daughter into lifetime learners, friends, and children who know they are loved by God.
~The Bryan Family

Prince of Peace School holds a special place in my heart. It is where I, and my two younger siblings, attended preschool. It is where my thriving kindergartener started her education journey two years ago. And where my two and half year old is currently thrilled to be twice a week. Prince of Peace School laid the foundation of my education and helped me grow academically, socially, and spiritually.

When choosing a preschool for my own children, there was no question! I was looking for a place that my children would enjoy attending, a community with loving people, a play-based learning environment, and smiling faces. At Prince of Peace, we found this and so much more! The school has grown so much since I attended almost 30 years ago, but the foundation is the same. A warm, welcoming community that encourages children's strengths, individual personalities, and a love for Jesus and His people.

~Lane Seleme

Our Mission is still to... share the gospel of Jesus Christ in word and deed with young children and their families through excellence in education.

Oh My Son is an Opera tableau written by the Spanish composer Marcos Galvany. The work is in the style of Handel's *Messiah* with chorus, soloists, and orchestra.

The Music Ministry will be presenting this work throughout the 2018/2019 liturgical year. The nine chorus numbers will be spread out in conjunction with the choir's standard anthems. A special full performance will be held on **Saturday, April 27th at 8 PM**. It will combine the Chancel Choir, Junior Choir, HIMnals, Orchestra, and four soloists.

Adapted from the Gospel's accounts of the Nativity and Passion, *Oh My Son* tells the story of Jesus of Nazareth through a series of short scenes, or

tableaux. The opera emphasizes the humanity and emotions of each character and reminds us that while we most often hear the narratives from a divine point of view, all of the individuals in the accounts are very human, facing deeply human struggles. Though Jesus obeys God's will in being crucified, He is overwhelmed in

the face of death and His Father's seeming abandonment. Mary, when tested with the death of her son on the cross, suffers in agony before coming to acceptance. At the foot of the cross is a grief-stricken sinner, who cries out in desperation that she cannot help the man who once saved her from a life of sin. Even Pilate, before he hands Jesus over to the priests to be crucified, struggles between uncertainty and belief. This opera

is the story of the cross in its many human dimensions—grief, betrayal, compassion, doubt, faith, and redemption. But most of all, *Oh My Son* is the story of a selfless and world-changing act of love.

Small Group Spotlight

In scripture, we can find a dynamic small group culture being foundational to the continual of one's faith and for the future of the Church. Jesus even demonstrated this practice within his own life

as He surrounded Himself with 12 of His closest friends. For the first time in several years, POP Students were excited to have the opportunity to grow in their faith and leadership when presented with start up of POP Student Small Groups. Small groups leaders attended Small Group Leadership Training where they were equipped with knowledge and resourcing to host a successful small group. The POP Students Spring Semester launched March 3.

Courtney Cooper, 16, has always had a heart for art and creativity. She saw becoming a small group leader as an opportunity, to use both her leadership role and love for the arts to connect with her peers. With that, she started her "Crafting with the Lord" small group. Women are welcomed into her Springfield home on Fridays beginning at 7pm where they enjoy a snack, devotional, and a craft. When asked, "What has becoming a small group leader done for your faith?" Cooper states, "Becoming a small group leader has brought me closer to Jesus. It has given me a way to serve my church community and let others know that they are loved." For more information about Cooper's small group and the others visit

Faith Shapers Book Study

Tuesday, April 23, 7 to 9 pm

Faith Shapers will discuss *Surprised by Joy* by C.S. Lewis. This spiritual memoir from the beloved author of the *Narnia* series, *Mere Christianity*, and many others, begins with his childhood in Belfast, surveys his boarding school years and his youthful atheism in England, reflects on his experience in World War I, and ends at Oxford, where he became "the most dejected and reluctant convert in all England." As he recounts his lifelong search for joy, Lewis demonstrates its role in guiding him to find God.

Looking ahead, we will read a selection from Devotional Classics, *Praying to Will One Thing* by Soren Kierkegaard, on May 28. Start reading today! Faith Shapers meets at Prince of Peace in Room 11. For more information, contact Jennifer Gross (jennifergross@outlook.com).

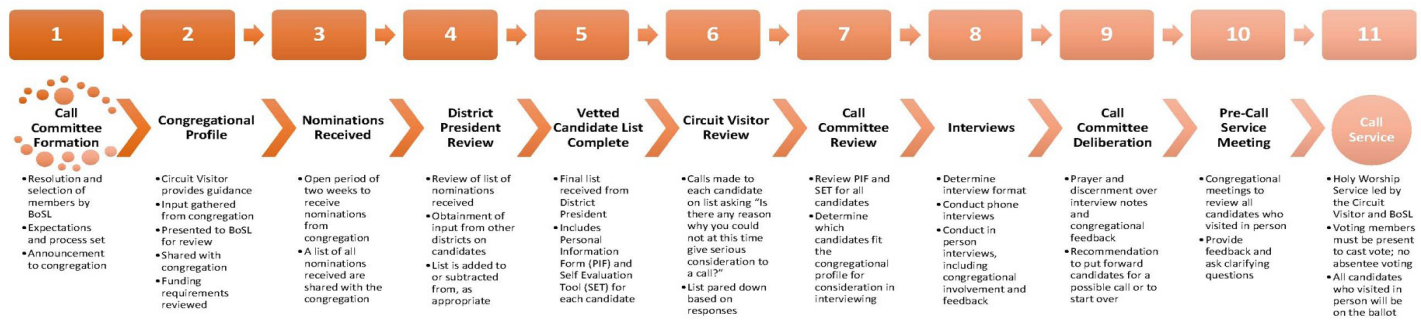

Senior Pastor Call Committee Update (continued)

The call service followed a productive and informative Town Hall held on Saturday, March 16 where 120+ congregants attended and shared insights and feelings about the candidates for senior pastor. This Town Hall was preceded by in-person visits by five of the candidates. The visits and the Town Hall were available on video for those unable to attend.

The BoSL would like to thank the members of the Senior Pastor Call Committee for their hard work, diligence, and spiritual example as they performed the heavy lifting for the congregation during this process. The BoSL also thanks the congregation for its participation in the process--attending listening posts, listening to sermons of candidates online, asking questions at the in-person visits, sharing at the Town Hall, and voting at the call service--as well as their prayerful discernment throughout. God is good!

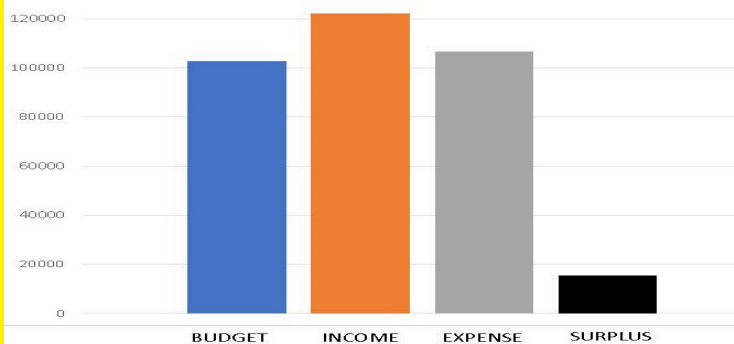

As mentioned, now is a time of waiting. We will keep you updated as Pastor Adam Wiegand prayerfully considers the call extended to him. As always, questions or concerns can be shared at any time with the BoSL at BOSL@poplc.org or at a monthly BoSL Sunday Listening Forum.

Prince of Peace Lutheran Church Senior Pastor Call Committee Process

But the LORD said to Samuel, "Do not consider his appearance or his height, for I have rejected him. The LORD does not look at the things people look at. People look at the outward appearance, but the LORD looks at the heart." - 1 Samuel 16:7

Thanks to your kind generosity, we had a surplus of \$15,367 for the month of February. That adds up to a deficit for the first eight months of \$2,178.

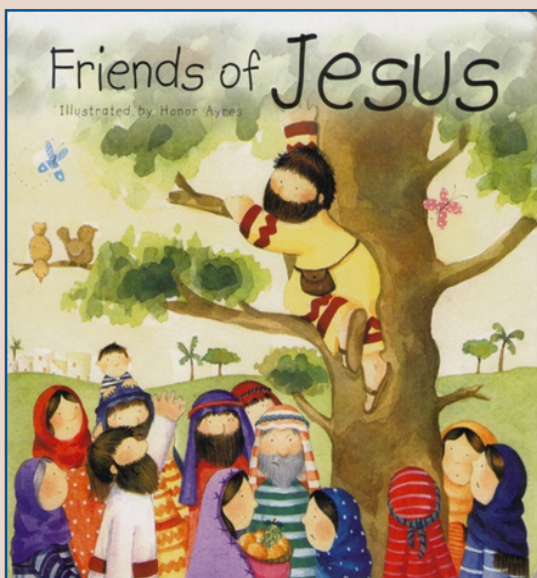

The BoSL Nominating Committee will be accepting nominations for new members of the BoSL. We are seeking 2 new members for the Board. Nominations will be accepted through the month of April. Nomination forms will be available in the Narthex. Self nomination is acceptable. If you have questions, please contact David McLean at docmclean@hotmail.com.

2019 Easter Flowers

Please consider bringing traditional potted Easter lilies or potted spring arrangements for our Easter celebration. We will also have the flower cross available if you would like to just pick a few flowers from your garden to bring in. POP will be purchasing a small number of flowers if you would like to make a monetary donation instead. Please plan on bringing your potted plants in by April 10th. We look forward to the beautiful array of colors as we celebrate our risen King Jesus!

His Family Time

As we journey together through the Lenten Season please join us for our last "His Family Time" Worship Service ~ **April 10 ~ 6:00pm**

His Family Time is designed for everyone, but especially for families with young children. On March 1st we met many friends of Jesus; Fisherman Peter, a Woman friend, Zacchaeus, the Paralyzed Man, another Woman friend and a Mother and Child who all told us how Jesus helped people and how important it is for us to be a helper to other people too. We hope you can join us for the next service as we meet even more friends of Jesus and hear how Jesus changed their lives and can change ours too!

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." ~ Matthew 19:14

Dear Friends at Prince of Peace,
After surviving a terrifying auto accident, we've needed a while to recuperate physically and emotionally. We are so grateful for the caring acts, and healing thoughts that we received from many of you during this time. Your loving preparation and delivery of meals, your generous gift of time that you gave to transport us to various places, your comforting cards, and, most of all, your prayers are so deeply appreciated.

Sincerely,
Warren and Darla Yaun

Chris and Hoppy Hohenstein wish to thank the congregation for the many prayers and acts of kindness which they have received from their POP family. We are humbled by the generosity expressed through gifts of food, flowers, phone calls, and encouraging greeting cards. Chris' battle is not over but your many expressions of care offer us much hope and love. We know that we have a God who tells of His love and offers us His hope working through those whom He has placed around us. He is special!

You are special! We are so grateful!!

Chris and Hoppy.
