

Prince of Peace Lutheran Church Confirmation Family Service Project

What do we have to do?

1 Peter 4:10 reminds us, *"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms."*

We encourage your family to complete a service project together sometime during the school year. As many of your family members as possible should participate. This project can be done either at Prince of Peace or in the community (school, neighborhood, local pool, etc.). The type of project is up to you, but your family is encouraged to look for an opportunity to serve in an area that is interesting and meaningful to you.

What are the time requirements?

There are no specific time requirements, but the recommendation is at least 3 hours.

Can you give me some ideas?

Some options at Prince of Peace could include: Participating in a PoP clean-up day (first week in December), help put up or take down PoP's Christmas decorations, prepare and serve a Lenten supper, or a ministry area that the whole family can participate in (such as orchestra). Some options in the community could include: neighborhood clean-up day, volunteering at a school or community event, volunteering at ECHO, adopt an elderly neighbor (help with yard work, groceries, etc.), or doing a food drive. The sky is the limit!
