Sermon Series Continues

With the arrival of the fifty days of Easter, preaching texts will switch from Gospel texts to stories from the Book of Acts and the Epistles. This is the pattern of the Narrative Lectionary, which PoP is using for its preaching texts. So we'll focus on Peter's Vision and Paul's Mission and texts from the book of Romans until we return to Acts for Pentecost. The eleven weeks of the summer will then be given over to topical sermons based on a summer theme. Join us each week as we proclaim and consider God's Word from the Scriptures.

Wild West Murder Mystery & Chili Cook -Off

Join us at 5:00 on Sunday, May 19, to sample our Chili Cook-off entries and to solve a Wild West Murder Mystery—*The Shoot-out at the "Yah, Sure, You Betcha" Corral*.

Please sign up to bring some corn bread, a salad, or dessert to share, dress up in your Western duds, pop open a long-neck, and join a team of suspects in search of whodunit. Child care provided, but children who can read are welcome to join the posse in search of the culprit. Brad.Womble@poplc.org

Sunday School Teachers Needed for Grace Ethiopian

Grace Ethiopian church is hoping to reestablish children and youth ministries on Sunday afternoons. Every Sunday Ethiopian families are in worship at Prince of Peace from 1:00pm – 3:30pm. We are asking the Lord to provide us four teachers from 2:00pm - 3:30pm who would be willing to provide a gospel message for our elementary and teenage students while their parents continue to worship. Each class has approximately 5-10 students. We will provide the training and teaching materials if you are willing to serve these wonderful English-speaking young people. This would be a beautiful blessing to the Ethiopian community.

In the book of Acts 16:9-10 it is written, “During the night Paul had a vision of a man of Macedonia standing and begging him, Come over to Macedonia and help us. After Paul had seen the vision, we got ready at once to leave for Macedonia, concluding that God had called us to preach the gospel to them.”

God bless you for prayerfully considering this call to the work of God's mission right here in Springfield. Please contact Pastor Mezmur Tesfaye zemezmur@gmail.com or John Durkin john.durkin@poplc.org if you would like to learn more.

2019 Confirmands

The confirmands will share their faith stories at 7:00pm May 4, and participate in the rite of confirmation at 11:00am on May 5. My hope is that as we gather in support of these young people they will be filled by the power of the Holy Spirit. I encourage you to pray for each of the students and their families. Pray that they may be continually sustained by God's Word and by the people of God who He has placed in their lives. May Prince of Peace always be a place these students can continue to grow in their faith and love for Jesus Christ.

POP iNeighborhood Network Points of Care meet to CONNECT!

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up." Galatians 6:9 In August 2018, we launched our iNeighborhood Network at POP. The iNeighborhood Network seeks to foster closer relational connections between members of POP and their neighbors. Some POP members have stepped up to serve as Points of Contact or Points of Care (POC) for their neighborhood. These members provide prayer and care as well as seek opportunities for fellowship and service to their local neighborhoods. On Saturday, April 6, the POCs gathered at the Crosson home for a time of connection to share stories of what is happening in their neighborhoods and to encourage one another.

Here are some lessons learned from that day:**Communication and persistence:**

There were many stories of unanswered phone calls, and even someone getting hung-up on.

In the last case, the gentleman was hard of hearing and a home visit actually cleared up the misunderstanding. Overall, phone calls were the least effective way to get a hold of people. Hand-written cards, delivered through the mail, turned out to be the most effective method, short of knocking on their door and delivering a goodie bag with cookies. In many cases, trying different communication methods is very beneficial.

Lesson: It pays to be persistent.

Neighborhood gatherings had low attendance:

This is something that is very neighborhood dependent, but was still a common theme. Sometimes meeting at a restaurant rather than a home drew more people to come out. There were some stories of people having more success with one-on-one check-ins and fellowship around food and adult beverages. One POC goes on weekly walks with someone in her network, building the relationship there. ***Lesson: Be open to how God is at work, even if it's one neighbor at a time.***

Connections with people who are disconnected with church:

There were some stories of members disenfranchised with church. Some elderly members who haven't been to church for a long time were visited by a Pastor to receive home communion. Sometimes members who moved out of the area were removed from our member list. With these stories, disconnected members learned they were not forgotten and that someone from Prince of Peace was there to specifically care for them. ***Lesson: Disenfranchised members still need care and we love them.***

This month we invite you to read Matthew 13:1-23. In this parable, Jesus explains what can happen to seeds that are sown. Most of the options are failures (seeds eaten by birds, scorched by the sun, choked by weeds). Only one sowing option ends with a success, not just any success, 30-100 times what was sown. What does this mean? What is success in the Kingdom of God? What is your role in the kingdom?

Each of us is a sower. We are called to throw the seeds, everywhere, irrespective of where it lands. Seeds of care, love, service, and seeds of God's Word. We are not in charge of results. As Greg Finke would say "that's above our pay grade." All we are called to do is throw out the seed and trust our Heavenly Father that He is working to water and grow the seed.

Here's a practical tip to throw out the seed in your neighborhood. ***Look for God-cidents*** -- moments of interruptions in your day or minor irritations that bubble up and open you up to another person's story. These are times God is trying to get your attention and inviting you to be on mission with Him. Take the time to listen. Be open to where God leads you to respond.

Faith Shapers Book Study

Tuesday, May 28, 7 to 9 pm

On Tuesday, May 28, Faith Shapers will discuss a selection from the book *Devotional Classics* edited by Richard Foster and James B. Smith. We will read "Praying to Will One Thing" by Soren Kierkegaard, starting on page 350. The *Devotional Classics* selections are short, usually taking about 20 minutes to read. So this is a great way to jump in and sample some of the well-known spiritual writers of our faith without the time commitment of a whole book. Join us even if you haven't had the time to try Faith Shapers before!

Looking ahead, we will read *The Eternal Current* by Aaron Niequist on June 18. Start reading today!

Faith Shapers meets at Prince of Peace in Room 11. For more information, contact Jennifer Gross (jennifergross@outlook.com).

New Members

We have twelve new members joining Prince of Peace this season! The Affirmation of Faith for New Members will be held May 4 and 5, 2019 at the service that each new member attends. However, if you are interested in joining Prince of Peace, please contact Mecia Rockett at mecia.rockett@poplc.org.

Small Group Spotlight

With warmer weather comes great opportunity to get outdoors. Outdoors with some peers makes a great opportunity for a small group. This is the case for small group leaders Devin Gerdes and Robert Martin

who co-lead a co-ed hiking/outdoor activity small group here at POP. When POP Students launched its campaign for small groups at the beginning of the year, Gerdes found the spring semester to be a great window to offer the chance for he and his fellow peers to get out into the open air. Having completed the Small Group Leadership Training in February, Gerdes reached out to Martin in the hopes to tag team together.

With both having interests in the outdoors and also very keen into offering something a bit different, Gerdes and Martin sought to create a time where once a month on a Sunday afternoon, their group would meet at a different park or hiking trail, tackle the course together, and spend time in God's Word along the way. When asked how becoming a small group leader has impacted their faith Gerdes replied, "When you make a lesson you learn more than when you're just listening to it. It requires you to research and sort information." Martin added, "When I am listening to other sermons or others who speak, I always think of I can pass it on to others [in my small group]."

Happy 50th Birthday Prince of Peace School!

This year, Prince of Peace School is celebrating 50 years of School Ministry. We opened our doors in 1969 with the encouragement of the congregation and the foresight of Pastor Ralph Wiechmann along with the creative energy and inspiring leadership of Marianne Latall, the school's first Principal. Our school continues to serve our Church as a primary outreach ministry to our local neighborhood and to the surrounding communities ~ nurturing the faith life of little ones and their families, ages two-and-a-half through

kindergarten. The school's mission: To share the gospel of Jesus Christ in word and deed through excellence in education with young children and their families.

We had a very special Happy Birthday Worship Service at 11:00am on April 28th for children and their families. Many alumni teachers and children from near and far came to celebrate. A reception followed in the Fellowship Hall. We remembered stories from their days at Prince of Peace and shared new stories of what is happening now in their lives. The photos show the fun that was had by all!

So many friends helped make this celebration happen! Our Worship Team, Stacy Adducci, Kathy Forsythe, Cina Deaton, Jane Leeling and Pastor Gary. Our Planning Committee, Bonnie Hughes, Heidi Frego, Lisa Wentzel, Russell Ray, and John Durkin. Flowers were provided by Mike and Barbara Bryan. Linda Harley and Atilio made sure the food and tables were set up and ready for our party! There were so many people that made the day special, we thank each and every one of you!

We thank the LORD for piecing together our lives and work to His, weaving us with His love, and binding and securing us with His promise to always be with us. In honor of our special birthday the School had a tree planted to the right of the church entrance for all to enjoy! Happy Birthday Prince of Peace School!!

First Communion

It has been a long-standing tradition at Prince of Peace to offer opportunities for children 3rd grade and older to take classes to prepare them for First Communion. This three-week course is designed for 3rd – 6th grade students and a parent to attend together. It's fun, informative, and interactive and it's led by our Pastors and staff. Our next class begins Sunday, May 19, 2019 in the youth room from 2:30 pm - 3:45 pm. (We will not meet Memorial Day Weekend) Email John.durkin@poplc.org to sign up.

First Friday

The maximum number of children signed up for the May 3rd First Friday, a new event where parents can bring their children to Prince of Peace for a night away (approx. 50)! Many happy parents were able to enjoy a quiet evening while their children had a fun time of games, movies, food and fellowship with other youth at Prince of Peace. Look out for the next First Friday scheduled for June 7th and sign-up right away if you'd like your child to participate. Spaces fill up fast!

Dear Prince of Peace Members,

The School Board met this month, and a decision was made regarding the position available for Principal. It is with great joy that I can share with you that Mrs. Lisa Wentzel has been selected to be the new Principal of Prince of Peace School!

Mrs. Wentzel may be very familiar to many of you here at Prince of Peace. She has worked at our School since 1999. Her career started as a Teaching Assistant; she then was asked to be a Three-Year-Old Teacher, and later became a Team Leader for the Three-Year-Old Program. She is currently a Teacher and the Team Leader of our Two-and-a-Half-Year-Old Program. Lisa developed the Curriculum for, and was the first P.E. Teacher for our students in the Kindergarten Program. Lisa graduated from George Mason University with a degree in Education, and has held her CDA [Child Development Associate] since 2012. Lisa has been a member of Prince of Peace Lutheran Church for over 20 years and has served our Church in many different capacities. We thank God for Lisa and we pray for her and her family during this time of excitement and change.

I look forward to serving the children and families here until the end of this School Year. I know that our School will be in safe hands with Lisa as the Principal. I plan to be available throughout the summer to help during this transition.

God's Blessings,
Cindy Deatherage

Stephen Ministers Commissioning

May 18 & 19

We congratulate Debbie Bastaich and Karen Murphy as they have completed nearly 50 hours of Stephen Ministry training for this special day.

What is a Stephen Minister? Stephen Ministers are laypeople—Christian men and women—trained to provide one-to-one care to people experiencing a difficult time in life, such as grief, divorce, job loss, chronic or terminal illness, relocation, or separation due to military deployment.

Stephen Ministers come from all walks of life. Their commonality? A passion for bringing

Christ's love and care to people during a time of need. If you would benefit from meeting with a Stephen Minister or know someone who could, please contact Kerri Grimes, Stephen Ministry Leader. kogrimes@gmail.com or at 919-273-0250.
