

My name is Olivia Frego. This will be my 6<sup>th</sup> year organizing **Operation Christmas Child** for Prince of Peace. Samaritan's Purse has been collecting and delivering shoeboxes filled with gifts to children in need around the world for 26 years. In addition to sending the gifts, the shoeboxes introduce children to the love of Jesus! When I was in preschool my family began filling a shoebox in support of OCC. It taught me the importance of helping others. I now look forward to doing it every year!

This year the project will look a little different than it has in the past. To comply with Covid-19 restrictions and Prince of Peace safety guidelines, we will not be offering physical shoeboxes to fill and return. Instead, you can choose to:

**Option 1:** Fill and donate a shoebox virtually through this link: [Samaritan's Purse Operation Christmas Child](#).

- The last day to fill a virtual shoebox is Monday, November 23, 2020
- Below is a video explaining the process of filling a shoebox online.

For instructions on making an online box click [HERE](#)

**Option 2:** Bring a \$25 check donation to the Church on Sundays from 1pm-3pm when offerings are collected. Checks should be made out to **Prince of Peace Lutheran Church** and be delivered in an envelope that is labeled **ATTN: Operation Christmas Child**.

- If you choose to donate \$25, a shoebox will be filled for you online
- The last day to drop off check donations is Sunday, November 15, 2020.

Thank you for your participation during this challenging time.

Blessings,  
Olivia Frego
