Leadership Teams Emerging

A revised organization chart has been emerging over the last two months at Prince of Peace. In an attempt to expand lay leadership involvement Vacancy Pastor Gary Rueter and the core staff have determined to focus on five ministry areas that most congregations use to accomplish their mission.

These areas are **Admin** (short for Administration), **Worship, Care & Outreach, Education**, and, in Prince of Peace's case, the **Preschool**. The plan is for each of these areas to be headed by a Leadership Team consisting of five or more lay leaders, assisted by one of the full-time staff. Each Leadership Team will then select one of their lay members to be the chair and that person will be identified as the Lay Leader in that ministry area.

The Worship Ministry area has been operating in this way for a couple of months, with the Leadership Team of **Robin Cary, David Leege, Jane Leeling, Craig Mosford, and Sara Wilson**. Craig was selected to be the chair and has been serving as the Lay Leader for Worship Ministry. Pastor Gary has been serving as the staff person working with the team and Michael Rossi now also participates as an ex officio member.

The Preschool Ministry has also been functioning in this way with the School Board serving as the Leadership Team and **Gary Leeling**, as chair of the School Board as Lay Leader with **Cindy Deatherage**, the Director, staffing the team.

The other three areas of ministry are currently organizing Leadership Teams with **Stacey Crosson** staffing Care and Outreach Ministry, **John Durkin** staffing Education Ministry, and **Brad Womble** staffing Admin Ministry.

All five ministry areas are responsible to the Senior Pastor and report to him, and he reports to the Board of Servant Leaders (BOSL) who function on behalf of the Voters Assembly and God as the supervising group who seeks to accomplish the mission and ministry of Prince of Peace through policies established to describe the outcomes desired by the congregation, the limitations the Senior Pastor must not exceed, the relationship between BOSL and the Senior Pastor, and the operations of the BOSL. These policies and relationships are not effected by the revised chart.

Another part of the revised organization will be semi-annual gatherings offsite of the Lay Leaders and staff for each ministry area in order to do evaluation of the activities of the previous months, and planning and coordination of the activities for the months ahead.

The chart itself including lists of tasks assigned to each ministry area will be rolled out at the Town Hall Meetings scheduled for November 18/19 (see page 5).

Vacancy Pastor Gary Rueter

Town Hall Meetings November 18 and 19

Fellowship Hall on Saturday, November 18 after the worship service (beginning at 6:45 p.m.) and again between the services on Sunday, November 19 (beginning at 9:30 a.m.). The purpose of the meetings will be to inform the congregation about the following:

- Examine **Bylaws changes** recommended by the committee appointed to study the number of members needed to petition for a special Voters Assembly, especially one involving the service of a called worker
- The rollout of an **Organization Chart** being developed to incorporate increased lay involvement in leadership
- **Financial report** for the 1st quarter of FY2017-18
- **Capital Fund Campaign** progress and the Narthex Renovation

Written feedback about the ministries of Prince of Peace will be solicited from those who attend the meeting.

Vine & Branches Lutheran Church in South Riding, VA, our newest daughter congregation, hosted a Sharpie Lunch Party this past Sunday, Oct 22nd. Members and supporters of V&B, young and old, were invited to come tour the new church's fellowship hall and Christian child development facility that is currently under construction. A few of us from Prince of Peace, including **Pastor Gary and Nancy Rueter**, joined in the afternoon celebratory occasion. As people arrived, everyone was offered a Sharpie pen of their choice, and further invited to go find a spot on an unfinished interior wall to write a blessing or favorite Bible verse, and then sign and date it. The event agenda provided time for everyone to walk through the hallways, rooms, and fellowship hall that are taking shape, pen their notes, enjoy visiting over sandwiches, and walk the grounds. Then brief remarks of welcome, and prayers of thanksgiving and excited expectation for sharing the Gospel in the fast-growing South Riding community were offered by V&B's **Pastor Dax Jordan, Ray Schaible** (a former member of POP and founding member of V&B), and **Pastor Ron Qualley** (former pastor at Lord of Life Lutheran Church). It was a joyful occasion to see how God is so faithfully and bountifully blessing the vision, mission, and stewardship of Gospel outreach at Vine & Branches that began by faith at Prince of Peace.

Go! Missionary of the Month: Each month we pray for a missionary family who have their roots in the Southeastern District. Krista Young serves the Lord as a career missionary in Ethiopia, based out of Addis Ababa. Krista is a volunteer coordinator, working with local leaders to identify and open opportunities for short term volunteers and teams to support the work of the church. She coordinates these visits and makes the needed arrangements to help them be successful. Together, Krista and Joel host people coming to Ethiopia and help connect them to the resources they need. Through these interactions, they share the love of Jesus with the individuals who are new to the country. They also are active in local congregations. Krista and Joel have two daughters Sydney and Grace, who join them in the mission field. Pray God gives the entire Young family strength and peace as they transition to life overseas, learning the culture and the language. Pray for their safety as they travel to build their support network. Pray for the hearts of the people here in the U.S. who will partner with the Youngs in prayer and financial support, so they can participate in the Kingdom work with this family. If you want to support the Youngs, call Mission Central at 712-882-1029 or sign up at

Christmas To-Do List: Sign Up for Hypothermia Shelter

Merry Christmas! Yes, it's still October, but our **Hypothermia Shelter Program** is getting started right now! **Our guests will be staying with us Christmas Eve through the morning of New Year's Eve, December 24-December 31** and there is immense preparation to host this heart changing event. POP has partnered with FACETS to serve our homeless neighbors for more than eight years. Each year we open our church home for one week, to those who need a warm, safe place to sleep. The shelter opens at 5:00 pm each evening. Guests receive a hot meal prepared by our Meal Teams and enjoy fellowship with our members. We also provide breakfast the next morning and a sack lunch to go. The shelter closes at 7:30 am each morning. **We typically serve over 250 guests throughout the week.**

Calling All Dentists and Dental Hygienists: Our neighbor across the street, Bogacki & Bogacki Dental, has agreed to open their practice one evening during HYPOTHERMIA WEEK to provide dental care for our guests. **If you would like to serve with them, or know a dental professional who would, please contact Stacey.Crossson@poplc.org or text her at 571-326-5580.**

People of POP: Praying as One

Therefore, since we have been justified by faith, we have peace with God through our Lord Jesus Christ. Through Him we have also obtained access by faith into this grace in which we stand, and we rejoice in the hope of the glory of God. Romans 5:1-2

Rejoice! And again, I say, Rejoice! What an understanding God we have who loves us and knows we could never be justified by our actions, but through faith in Him, we can still have access to our Lord, and know that He loves us, cares for us, and forgives us. We have been blessed! Let us be a blessing to others.

Share Your Trade, Talents & Skills with Other POP Members

HOW WELL DO YOU KNOW YOUR FELLOW FAMILY MEMBERS AT POP?

In order to enhance this fellowship, we are developing and will maintain a very simple data base which will identify the trade, talents and/or profession (past or present) of each member of POPLC, and will be available to all members.

Besides enhancing fellowship, the data base may also be of extreme value to individual members as a need may arise, whether minor or an emergency. This support to your fellow members may be a one-time phone call for advice, a one-time meeting for consultation or a periodic contact depending on your availability.

To help us establish this data base, please email information to Herman Schmidt at schmh@verizon.net. The information requested is your name, your resources (i.e. plumber, architect, baby sitter, nurse, etc) and email/phone number.

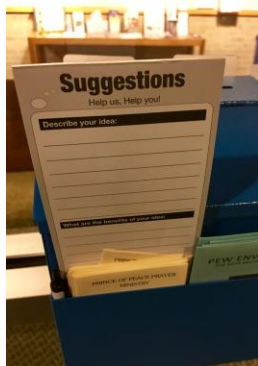

Thank you to all who have replied to date! Please feel free to contact **Herm Schmidt** at schmh@verizon.net, or Brad.Womble@poplc.org with any questions.

Leave Your Signed Suggestions

Once in a while someone uses a prayer request form or the sermon notes section of the bulletin to leave a suggestion for staff. This is excellent and well-received. Staff invites you to **leave contact information** with your suggestions to fulfill the need for a complete conversation.

You may also use a form from the suggestion boxes (see photo) at the Sanctuary exits.

Thank you for your suggestions!

Send Us Your Faith Stories!

Sharing the ways in which God is alive and moving in your life is an integral component in living out your faith and encouraging others! Our stories encourage other believers while God also uses them to reach those not yet connected.

- Every Sunday I try to recall something tangibly miraculous that God has shown me the previous week. This week I give praise to God for good things whether or not I consider them to be miraculous. I especially enjoyed reading Psalms 145 through 150 (Psalms of praise) with the Sunday afternoon Confirmation class and with my own children.
- An estranged family member is reconnecting with our family after two years. An answer to prayer!

Share YOUR Stories:

1. Write them in the **"Friendship Folder"** located in the pews at any worship service or by sending an **e-mail** Tanya.Tucker@poplc.org. We will include your faith stories in the *Communicator*.
2. **Post your stories on the Go! Board outside of Room 21.** Take a **"God on the Move"** card from the Go! Board, write down your story, and post it for all to read.

Moving On?

Prince of Peace strives to love and encourage all who move on to new destinations. If you will be departing Prince of Peace in the near future please contact the church office.
